Proposed Ballyhorgan Wind Farm – Information Update

Dear Householder,

I hope this letter finds you well.

I am writing to you with an update regarding the proposed Ballyhorgan Wind Farm. As you may be aware, since our last communication in February, the decision by An Bord Pleanála to grant planning permission for the proposed development has been subject to judicial review proceedings. Currently there is no timeline available for when the judicial review proceedings will be concluded but, in the meantime, we are continuing with the necessary preparation work that will be required to facilitate the commencement of construction. While this preparatory work is on-going you may notice some activity on the ground.

The dedicated website www.ballyhorganinfo.com remains live and will be updated with any new information relevant to the proposed wind farm. If you have any difficulty in accessing the information on the website, or have any queries relating to the project, please contact me through the contact page on the website, by email Ballyhorganclo@turnkeydev.com, or by phone 086-1427399.

Yours sincerely,

Kieran Kyne
